

END-OF-LIFE VEHICLES

Taking care of the environment is a priority for Lexus. We're making a huge effort to ensure that during the life cycle of our vehicles - from design, production, distribution, sales and service to end-of-life - their environmental impact is minimised. Go to www.lexus.co.uk for more details of environmental performance.

Lexus (GB) Ltd. is an Appointed Representative of RAC Motoring Services and TCIB Insurance Services Ltd., which are authorised and regulated by the Financial Services Authority.

A close-up photograph of a car's side mirror and roof. The car's surface is highly reflective, mirroring a sunset scene over a road. The sun is low on the horizon, creating a warm, golden glow. The road stretches into the distance, flanked by trees and a clear sky. The overall mood is serene and evocative of a long drive home at dusk.

APPROVED
PRE-OWNED VEHICLES

We take what we know, and what we learn, to create an ownership experience that goes beyond meeting your requirements. It anticipates them.'

TAKESHI YOSHIDA, MANAGING OFFICER, LEXUS DIVISION

IT'S A NEW EXPERIENCE

Whatever you buy from us, you're a Lexus customer first and foremost. This means you're entitled to all the benefits that make us one of the most highly regarded luxury automotive

brands. And not just for our vehicles but also for the way we think about what you need - and expect - from a contemporary luxury brand. So it should come as no surprise that our Pre-Owned vehicles all come with the same first-class service and that every one is brought to you 'as new'.

All the vehicles we offer are the best examples, prepared to the highest standards and supported by industry-leading products and services. They also come with the excellent service that every Lexus customer has come to expect. We want you to enjoy every moment of owning a Lexus.

WORLD-LEADING QUALITY

Since its launch Lexus has been in the vanguard of what is achievable in the luxury automobile category. Our list of awards and quality records are proof of this achievement.

- Lexus won the Gold Award in the 2007 J.D. Power and Associates UK Customer Satisfaction Study, for the seventh successive year, improving its results in all four categories.

- Lexus was judged to be the Best Car to Sell in the latest annual Sewells Dealer Attitude Survey. The marque came top in 13 out of 15 categories.

- Lexus won Automotive Management (AM) 'Carmaker of the Year' award in 2006 for the third consecutive year.

- Lexus was voted Best Manufacturer in the 2007 Auto Express Car Reliability and Satisfaction survey for the sixth consecutive year.

CARE AND ATTENTION

Only vehicles that have gone through the most rigorous inspection are worthy of the status of a Lexus Approved Pre-Owned vehicle. All are subject to a comprehensive road test and, having completed history and mileage checks, we examine the vehicle inside, outside and underneath, working to the most exacting quality standards.

We make sure all engine components are in full working order and that steering, brakes and suspension have been well maintained. All our vehicles meet MOT requirements and tyres will be of the correct size and rating. And locking wheel nuts are only accepted if they are in a serviceable condition and the correct locking key(s) are supplied. All window glass will be in good condition, complete with the correct

security etching. Visually, we inspect every vehicle in minute detail - both inside and out - to make sure that it reaches the highest aesthetic quality. Any interior marks, tears or burns will be repaired, controls and switches will operate to original specification and all warning lights and gauges will be fully functioning and accurate. We'll also check that the steering wheel and column condition/adjustment is correct.

Your driving pleasure and convenience are always at the front of our minds so we also make sure the audio system is in full working order and that you have a minimum of two keys and remote controls. Our aim is to give you a new experience when buying a Lexus, that outperforms the service provided by other manufacturers. We think that it is an experience you will enjoy from

beginning to end. Please refer to the vehicle's Certification and Warranty for a full list of the items covered and the terms and conditions of that cover and liability.

Our commitment means that all Approved Pre-Owned vehicles come with a full service history, completed by a Lexus-qualified technician and approved by individual Lexus Centres. If one of our vehicles has an incomplete or non-Lexus Centre service history, we always complete the most recent major service to give it Approved Pre-Owned status and provide you with a fully up-to-date service book. And we promise that if you are not entirely happy with your Approved Pre-Owned vehicle, we offer a 30-day, 1,000-mile, no-questions-asked exchange policy.

PEACE OF MIND

The Lexus Warranty gives you peace of mind that the vehicle you have chosen will bring years of pleasure. All of our Approved Pre-Owned vehicles come with one year's manufacturer's equivalent warranty with unlimited mileage cover. For any vehicle with less than a full year of manufacturer's warranty, there's a special mandatory warranty - available from Lexus. But for vehicles under 60,000 miles with a full year of manufacturer's warranty left, you just need a Transfer which your Lexus Centre will arrange for you free of charge. Approved Pre-Owned vehicle warranties include wear and tear cover for batteries, exhausts and wiper blades for three months or 3,000 miles.

ASSURED MOBILITY

LEXUS ROADSIDE ASSISTANCE

Every Approved Pre-Owned vehicle is supplied complete with comprehensive Lexus Roadside Assistance cover for one year. Available 24 hours a day, 365 days a year, the service is provided by the RAC and offers:

- Roadside Assistance
- Accident Assistance

ROADSIDE ASSISTANCE

If your vehicle cannot be repaired at the roadside in a reasonable time, or if you are unable to carry on driving due to injury or illness, the RAC will take you, your vehicle and up to four passengers to the destination of your choice on the UK mainland. Recovery will usually involve just one journey and you do not have to travel with your vehicle.

NO-FUSS FLEXIBILITY

If you would prefer to continue your journey without your vehicle, the RAC can make all the arrangements for you and your passengers. You, as the owner of the Approved Pre-Owned vehicle and your partner, living at the same address, are entitled to full roadside assistance when driving your vehicle or any other vehicle. The cover also extends to anyone else driving your vehicle with your permission. All it takes is one free call to the RAC to get you back on the road with minimum inconvenience.

REPLACEMENT VEHICLE

As long as the RAC has attended the incident, you will be given use of a vehicle free of charge for up to three days. You'll just need to show a valid driving licence and leave a fuel deposit when you collect the vehicle.

HOTEL ACCOMMODATION

If it is not convenient to continue the journey, the RAC can arrange a night's free hotel accommodation for you and fellow passengers for up to £150 per person to a maximum of £500 (VAT not included).

ONWARD TRAVEL

If you wish to make your own travel arrangements, the RAC will reimburse the cost up to £100 per person, to a maximum of £300 (VAT not included).

RAC 'AT HOME' SERVICE

The RAC will assist you even if your vehicle is at home when the problem occurs.

ACCIDENT ASSISTANCE

In the event of an accident, Lexus Accident Assistance offers a range of practical services including:

- Recovering your vehicle, if undrivable, to a Lexus Approved Accident Repair Centre.
- Providing any assistance required, including passing on any messages to family, friends or colleagues.
- Providing a loan vehicle of similar specification (conditions apply).
- Providing assistance with administration and the completion of paperwork.
- Supervising the vehicle repairs to Lexus standards.
- Providing free legal advice.
- Arranging for the repaired vehicle to be delivered conveniently back to you.

CERTIFIED QUALITY

We make sure that every Approved Pre-Owned vehicle we sell has been put through a detailed Vehicle History Check that uses data from the DVLA, Police National Computer, finance companies, ABI, BVRLA, VMC, RMIIF and SMMT to name just a few.

We access over 63 million records to make these checks:

- Cross-referencing between Vehicle Identification Number (VIN) and registration number.
- Vehicle description check.
- Finance data check and high risk data check.
- Registration date and year of manufacture.

- Stolen vehicle check.
- Write off/condition check/scrapped indicator.
- Number of previous owners and owner change dates.
- Plate-change warning, including full plate history.
- Previous colour changes.
- Import/export data.

We also carry out an independent mileage check. This verifies the mileage stated on the dashboard and gives you the peace of mind that your Lexus is everything it seems, with validated certification to prove it.

The goal of such a comprehensive service? To create complete satisfaction in owning a Lexus.

AFTERSALES SERVICE

LEXUS SERVICE PLANS

Lexus Service Plans make owning a Lexus completely trouble free, allowing you to spend more time enjoying your vehicle. You can tailor our flexible Service Plans to fit the time period you want and your expected mileage and they are valid at any Lexus Centre - just in case you move home or work. And because the cost is set when you buy the plan, the price remains the same for its full course even if the cost of parts and labour goes up for other customers.

The plan covers the cost of a full service with genuine Lexus parts and labour, in accordance with the manufacturer's service schedule. The plan excludes normal wear and tear parts such as tyres and brake pads.

For further information on Service Plan schemes please consult your local Lexus Centre.

A SOLID GUARANTEE

We know that you have very high expectations for your Lexus, and rightly so. We have such confidence in our cars that we back every Lexus with a solid guarantee.

ACCESSORIES

To add a personal touch to your Lexus, we offer a range of accessories - each engineered and tested to the highest standards. So whether you'd like 18-inch alloy wheels for your IS series, an In-Car Entertainment system or Bluetooth® hands-free phone kits, you'll find our accessories always add an individual touch to your Lexus. For more information, contact your Lexus Centre or request an e-brochure by visiting www.lexus.co.uk.

LEXUS FINANCIAL SERVICES

We offer a range of finance plans designed to make acquiring your Approved Pre-Owned Lexus vehicle as pleasurable and convenient as possible. You can tailor your finance to suit your specific requirements from an extensive selection of flexible and affordable plans. All offer a wide range of benefits for you or your business.

From the simplicity and flexibility of our Lexus Purchase Plan through to our competitive Contract Hire and Leasing packages, we have a product to suit your needs.

To maximise the enjoyment of your new vehicle, we also offer a comprehensive choice of insurance plans to protect you and your investment.

For further information please visit your local Lexus Centre or go to www.lexus.co.uk/financial_services.
