

New Toyota Avensis

The new Avensis can produce impressive fuel economy of 43.5 mpg (19% BIK). The low CO2 emissions produced by the vehicle – just 165g/km – also mean that owners pay only £165 per year road tax.

Highlights of the Avensis include as standard on the T entry model Bluetooth connectivity, daytime running lights, leather steering wheel and improved interior trim. These features are in addition to the established T2 specification which includes air conditioning, electric front windows, multi information display, seven air bags and Vehicle Stability Control with steering torque assist.

In addition to the T2 specification the TR offers Toyota Touch & Go multimedia connectivity and satellite navigation, 17" machine-finished alloy wheels, dusk-sensing headlights, rain-sensing wipers and a 5* Euro NCAP safety rating.

Discover more about the new Toyota Avensis or to arrange an on or off site test drive by calling **John Brightmore or Nick Kennett in our Business Centre on 01274 730 730.**
